

Youth Ministries Management System Consent Form

Rationale for YMMS

The FL PAD implemented the Youth Ministries System to integrate all of the vital Club information into one system that is accessible to many groups at the same time. The local Club enters each child/adult's information and then it is securely saved so that the Club Director/Secretary can access it from anywhere and anytime with an internet connection. In addition, the Club can log a digital history for each member or transfer that information if a member transfers to another Club. The volunteer Coordinator team has access to valuable data that allows to better serve Clubs (seeing when their events are, if they need help with registering for an event, to encourage them to complete tasks by certain deadlines, etc.). And the PAD office is better able to analyze, communicate, log, and track how Clubs are doing by Clusters or Areas. The system has simplified our registration process for events, how background checks are processed (and making sure the right adults attend our events). And finally, the North American Division has chosen to adopt this system for the division as well, because they see all the benefits.

MEDICAL CONSENT

In these days of lawsuits, medical consent forms are a necessity on every outing. The basic idea of the form is that it gives parental authorization for a doctor to treat a minor. It also provides information on where the parents and family doctor can be located.

The consent form provides protection for the Doctors, the child, and the Club Director.

1. The Doctor – a doctor who would give medical assistance to a child without the knowledge of the parents would take a tremendous risk. If the results are serious or even fatal, the parents may sue. A signed consent form may be enough to persuade a doctor that the parents are unlikely to sue. (Many young people have been given medical aid at a remote hospital or office after the leader produced a consent form. Other times the form has not helped at all.)
2. The Child – Leaders who take a child on an outing have obligation to provide the best medical care. Not having a form would severely reduce that chance.
3. The Director – If a child is injured and is not able to get proper medical care because the Director did not bother to require medical consent forms, that director would certainly be a handy target for a liability suit.

Note:

Medical consent forms may be dated in such a way that they are good for the whole year. This has the obvious advantage of saving a lot of work in collecting new forms for each outing. There are two disadvantages to year-long consent forms. First, a form signed several months ago will not be as impressive to a doctor as one signed recently. Secondly, the form won't have current information on the location of the parents. Adventurer parents **MUST** be with the Adventurers on a weekend outing. Adventurers cannot stay overnight without a parent present.

Code of Conduct and Participation Agreement

1. Adventurers should be **on time** to all Club meetings and events. Chronic tardiness will be taken into account when evaluating an Adventurer's Personal Performance.
2. **Field Uniform** (Club tee shirt, shorts with length to the knees or jeans, tennis shoes) will be worn at all Club meetings and informal activities and functions unless specified otherwise including campouts. Open toe shoes are not allowed at Club meetings.
3. Complete **Class A or B Uniform** will be worn at all formal Club activities and designated Club meetings. Class A uniform consists of White shirt with all patches and pins, slacks (boys) navy blue jumper or navy-blue dress (girls), navy blue socks (boys) white socks (girls), black dress shoes (closed toe), sash, scarf, and uniforms slide. Class B uniform is all of the above without the sash, scarf and slide.
4. **Jewelry:** We as members of the Seventh-day Adventist Church believe that the wearing of jewelry and the display of wealth that it implies is inconsistent with the principles of Adventuring. Therefore, we request that no visible jewelry be worn to any Adventurer function. This also prevents the loss of valuable items.
5. Adventurers should attempt to **participate** in all activities for their class level and maintain good conduct.
6. Adventurers will **show respect** at all times to the Adventurer Staff, their fellow Adventurers as well as all other people. Adventurers are expected to follow directions of Adventurer Staff. Adventurers will ask for God's help to do their best to live out the Adventurer Pledge and Law at all things at all times whether during Club meetings or events at home, church, school or in the community.
7. During Club meetings or events Adventurers will **stay together** with a counselor or instructor. If an Adventurer needs to leave the group area, they must have permission from a counselor, sign out as instructed (if applicable) and travel using the buddy system.
8. On campouts, Adventurers are expected to **help out** with set up, take down, kitchen patrol or any other necessary duties as scheduled; we must work as a team. Adventurers should not expect to go home until all equipment is cleaned and put away.
9. Adventurers will abide by the Camping Code of taking only pictures/memories and leaving only footprints while camping. Remember that Nature is God's First Published Book.
10. New Adventurers will be put in class level according to age and grade level. To join the Adventurers Club a child must be between Pre-K and 4th grade. If a child is moving to the church during the year, they should bring their records from their previous Club.
